PROFESSIONAL SUMMARY

B2B marketing and customer success leader driving email marketing strategy, deliverability, and revenue growth for a fast-growing MarTech startup. Grew and retained 100+ international (US/Europe) accounts including deals up to \$75K/month at a 90%+ renewal rate, and drove 20–30% expansion revenue through proactive account management. Fix deliverability problems at the DNS level and ship internal tools in React, Python, and Google AppScript to automate work most marketers do manually including domain/IP warm-up automation across 500+ sending domains. Built and led a 7-member cross-functional team; promoted from intern to Head of Marketing within two years. NIT Allahabad Computer Science graduate.

WORK EXPERIENCE

Head of Marketing & Operations · [Xgrowth LLC](#) Jul 2026 – Present

Xgrowth LLC is a B2B SaaS startup offering an email marketing and deliverability platform ([app.xemailcampaign.com](#)) serving 100+ US and Europe-based clients.

- Sustained a 90%+ renewal rate across 100+ enterprise accounts (up to \$75K/month) through proactive account reviews and full-lifecycle customer success ownership.
- Drove 20–30% expansion/upsell revenue growth across managed accounts via strategic account reviews and outbound enterprise outreach.
- Built a React + Google AppScript + Python tool to automate domain/IP warm-up across 500+ sending domains, replacing an entire manual workflow.
- Led LinkedIn outreach (Sales Navigator, Waalaxy) and paid social (Meta Business Suite, LinkedIn Ads); ran competitive positioning vs. Mailchimp, Instantly, and Apollo to sharpen go-to-market messaging.
- Hired and trained a 7-member cross-functional team; awarded Employee of the Year (2025) for marketing leadership and growth impact.

Email Marketing & Operations Manager · [Xgrowth LLC](#) Jun 2025 – Jun 2026

- Managed end-to-end email marketing operations for 100+ US and Europe accounts across the full portfolio.
- Oversaw deliverability infrastructure, campaign strategy, and client success; managed lead gen (ZoomInfo, Seamless.ai, Apollo) and list hygiene (MillionVerify, ZeroBounce, NeverBounce).
- Led a cross-functional team spanning client support, deliverability, and operations.

Email Marketing & Deliverability Specialist · [Xgrowth LLC](#) Dec 2024 – May 2025

- Reduced average client bounce rate from 30% to 3% through SPF/DKIM/DMARC fixes and structured IP/domain warm-up lifting open rates to 50–60%+ and reply rates to ~3%.
- Managed deliverability health across 100+ sending domains using Google Postmaster, MxToolbox, Spamhaus, Lemwarm, and Mailreach, rebuilding sender reputation from poor to high standing.
- Promoted from intern to full-time within 6 months.

Email Marketing & Deliverability Intern · [Xgrowth LLC](#) Jun 2024 – Nov 2024

- Executed B2B email campaigns and monitored deliverability metrics, building foundational expertise in sender reputation management and campaign performance optimization.

EDUCATION
