

RISHESH GANGWAR

Head of Marketing & Operations · B2B SaaS & MarTech · Growth, Paid Media & Email Deliverability
rishesh.certificates@gmail.com | +91 9528506236 | [Portfolio](#) | [LinkedIn](#) | Noida, India

PROFESSIONAL SUMMARY

B2B marketing and customer success leader running full-funnel growth for a fast-growing MarTech startup LinkedIn outreach, Meta and Google Ads, SEO, email marketing, and push channels (SMS/WhatsApp). Grew and retained 500+ international (US/Europe) accounts including deals up to \$75K/month at a 90%+ renewal rate, and drove 20–30% expansion revenue through proactive account management. Fix deliverability problems at the DNS level and ship internal tools in React, Python, and Google AppScript to automate work most marketers do manually including domain/IP warm-up automation across 500+ sending domains. Built and led a 7-member cross-functional team; promoted from intern to Head of Marketing within two years. NIT Allahabad Computer Science graduate.

WORK EXPERIENCE

Head of Marketing & Operations · Xgrowth LLC

Jun 2026 – Present

Xgrowth LLC is a B2B SaaS startup offering an email marketing and deliverability platform ([app.xemailcampaign.com](#)) serving 500+ US and Europe-based clients.

- Own full-funnel marketing across LinkedIn outreach, paid social, paid search, SEO, email, and push channels building one connected acquisition-to-retention motion.
- Run LinkedIn outreach at scale using Sales Navigator and Waalaxy ICP list building, multi-step connect-and-message sequences, and personalised follow-ups feeding the enterprise pipeline.
- Manage Meta Ads and Google Ads end to end campaign structure, audience and keyword targeting, ad creative and copy testing, retargeting, and budget allocation against CPL and pipeline targets.
- Lead SEO for the company website keyword research and competitor gap analysis in Ahrefs, on-page optimisation, technical fixes, and content briefs; track indexing and query performance in Google Search Console.
- Launched push marketing via SMS and WhatsApp opt-in flows, segmented broadcast and drip sequences, and campaign-to-conversion tracking, adding a second high-response channel alongside email.
- Sustained a 90%+ renewal rate across 500+ enterprise accounts (up to \$75K/month) through proactive account reviews and full-lifecycle customer success ownership.
- Drove 20–30% expansion/upsell revenue growth across managed accounts via strategic outbound outreach.
- Built a React + Python tool to automate domain/IP warm-up across 500+ sending domains, replacing an entire manual workflow.
- Ran competitive positioning vs. Mailchimp, Instantly, and Apollo to sharpen go-to-market messaging; hired and trained a 7-member cross-functional team; awarded Employee of the Year (2025).

Email Marketing & Operations Manager · Xgrowth LLC

Jun 2025 – May 2026

- Managed end-to-end email marketing operations for 300+ US and Europe accounts across the full portfolio.
- Oversaw deliverability infrastructure, campaign strategy, and client success; managed lead gen (ZoomInfo, Seamless.ai, Apollo) and list hygiene (MillionVerify, ZeroBounce, NeverBounce).
- Led a cross-functional team spanning client support, deliverability, and operations.

Email Marketing & Deliverability Specialist · Xgrowth LLC

Dec 2024 – May 2025

- Reduced average client bounce rate from 30% to 3% through SPF/DKIM/DMARC fixes and structured IP/domain warm-up lifting open rates to 50–60%+ and reply rates to ~3%.
- Managed deliverability health across 200+ sending domains using Google Postmaster, MxToolbox, Spamhaus, Lemwarm, and Mailreach, rebuilding sender reputation from poor to high standing.
- Promoted from intern to full-time within 6 months.

Email Marketing & Deliverability Intern · Xgrowth LLC

Jun 2024 – Nov 2024

- Executed B2B email campaigns and monitored deliverability metrics, building foundational expertise in sender reputation management and campaign performance optimization.

EDUCATION

B.Tech, Information Technology · MNNIT Allahabad (NIT)

2020 – 2024

Admitted to NIT through one of the world's most competitive entrance exams (sub-1% acceptance across 1M+ candidates) at one of India's premier national engineering institutions.
